

The American Society of Highway Engineers Carolina Triangle Section

Engineering Scholarships Available

The Carolina Triangle Section of ASHE is pleased to announce the continuation of the scholarship program for the 2023 calendar year. Interested undergraduate and graduate college students should complete the attached application and return it by Friday April 21, 2023 via mail or email to the contact below.

Note: Applications must be postmarked by April 21, 2023 to be considered for the 2023 Scholarship Award. Awards are to be made at the May 11, 2023 General Meeting of the Carolina Triangle Section.

1. **Amount:** There will be three (3) scholarships:

- a. Sophomore Scholarship (Rising Sophomores apply) \$1500
- b. The Robert E. Pearson Scholarship (Rising Juniors and Seniors apply) \$4000
- c. Graduate Student Scholarship (accepted to or attending a graduate program) \$2500

The amounts will be paid as lump sum awards.

2. **Eligibility:**

- a. The applicant must be a citizen of the United States and must be a permanent resident of North Carolina.
- b. The applicant must be enrolled in a four-year college program leading to a bachelor's degree in a transportation-related field, preferably in a civil engineering curriculum, and must have completed at least one semester. North Carolina residents may be enrolled in any college or university, without restriction of location.
- c. The applicant is eligible to receive the each award only one time.
- d. The applicant must submit a copy of their Official College transcript. Resumes, High School

transcript, and SAT scores may also be included, but are not required.

3. **Evaluation:** Each applicant will be evaluated on a 100 point-count system as described below:
 - a. Performance, **40 points** maximum as follows:
 - A review will be made of grade point averages and courses taken.
 - b. Evaluation of Applicant, **60 points** maximum as follows:
 - Evaluation of the applicant's activities and honors, work experience, leadership positions, and distinguishing qualifications (25 points maximum).
 - Evaluation of career goals, based on content, clarity of ambitions, grammar, spelling, and neatness (25 points maximum).
 - Enrollment in a Civil Engineering curriculum (10 points).
 - c. Personal Interview
 - If requested by the review committee a selection of applicants with the highest scores under Performance Factors and Evaluations of Applicant may be invited for an interview to be held by virtual room. This interview will be a subjective evaluation of the applicant's attitude toward college and the transportation and/or engineering profession, the ability to communicate, and personal appearance.
